

SCOUT MONTH

You've been chosen to complete a daring journey and earn a hero's reward. YOU are the hero in this adventure! Find friends and mentors along the way who will help you through fantastical worlds and prepare you for your hero's quest. **Safe journey, and fun!**

BEGIN YOUR JOURNEY

You have been called to begin your journey! Before you can leave the world you know, you must choose your quest. Choose your quest:

- Save your hidden world from destruction
- Defeat the villain trying to steal your world's technology and magic
- Return stolen objects to the worlds they come from
- Create your own!

DOCUMENT YOUR JOURNEY

One day, others may tell stories of your victory! It's important to document your quest. Take photos (flash off, please!) of each part of your story (at least one for sections 1, 2, and 3), sketch out your ideas, or take videos of your journey. Show us what you've discovered at the end of your adventure and collect your hero's reward!

Companions and villains and castles, OH MY!

All heroes need companions, friends and wise mentors to help them overcome their challenges or foe and find their way through their journey. Explore the galleries below to identify the other characters in your quest. Choose specific characters or create your own based on what you see.

- **Infinite Worlds of Science Fiction:** The Space Arc is full of interesting characters. Some may be friends...others may be foes.
- **Fantasy: Worlds of Myth and Magic:** Watch out for the sleeping dragon! Wise wizards, brave warriors, and unlikely heroes surround you in this enchanted forest. Remember: looks may be deceiving in fantasy worlds, and sorcerers may take many forms...
- **Indie Game Revolution:** Explore new worlds and hone your heroic skills. Are these worlds part of your story or will your story become a game?
- **Can't Look Away: The Thrill of Horror Film (PG-13 and optional!):** Horror films are full of villains...and companions you must rely on to save yourself. Explore the gallery with caution... there is danger here!

Your Theme Music

Every hero needs an anthem! Think of who you are as a hero and explore MoPOP's music galleries. Will you push musical boundaries or sing a ballad with an acoustic guitar? Listen to music in the galleries and choose who will sing your heroic anthem. Don't forget to photograph anything that inspires you!

- **Guitar Gallery**
- **Nirvana: Taking Punk to the Masses**
- **Hendrix: Wild Blue Angel**
- **Contact High: A visual History of Hip-Hop**
